The Chicago Manual of Style provides guidelines for two styles of source citation: notes and bibliography and author-date. Author-date style is the preferred option in the sciences and social sciences. In author-date style, an in-text citation consists of the author's name, the publication year, and (if relevant) a page number. Each citation must correspond to an entry in the reference list at the end of your paper, where you give full details of the source.
