Great Transformation Free Great Transformation free market ideology was the handmaiden for new industrial interests, and how those interests used that ideology selectively, calling upon government intervention when needed to pursue their own interests. Polanyi wrote *The Great Transformation* before modern economists clarified the limitations of self-regulating markets. Today, there *The Great Transformation* - INCT/PPED *The Great Transformation*, published in 1944, is an ambitious book. It attempts two huge tasks. First, to refute the free market ideology, sometimes called market fundamentalism, represented at that time by men
