Interstate 40 through Del City is

about to become more challenging and congested. And drivers can expect it to remain that way for most of the next three years. It's all in the name of progress. Highway contractors are preparing to replace six structurally deficient I-40 bridges that have frustrated motorists for years because of the need to periodically close lanes for emergency ... Preparations underway to replace 6 bridges on I-40 in Del ... Yes- that's for sure- it's a classic double span bridge- multiple lanes, each direction has a separate bridge. It's the way to go between NYC and DC. The last time we crossed this together was 1982; we had crossed previous times in the 1960s and 1970s. There is no toll in the northern direction- that will help you save a Buc. Delaware
