Magazine Nowadays, "less is more" wins much popularity in many other fields other than in the architecture. People grab more things when they focus less and do things more deliberately. It turns out to be the same in shopping. Shopping plays an increasingly important role in our daily life, whether online or offline. What are some examples in life of when less is more? - Quora With less measured loft, an upward angle of attack and more dynamic loft, you're creating the opportunity for high launch and less spin, a key metric for longer drives that hit the ground on a ... Golf equipment truths: Why you should rethink your driver ... Clubs aimed at better golfers have less offset (or

even none); clubs aimed at higher handicappers have more offset. Within a set, the longer clubs (in terms of shaft length) will likely have more offset, if it is present, while the shorter clubs (short irons, wedges) will have less. Offset In Golf Clubs: What It Is and Why It's There The effects on the ball from the air surrounding it that occur when the ball starts spinning more and moving faster (the shots that are hard to hit straight ... Take an extra club and remove speed so you put less spin on the ball. That way, when the wind adds some, things won't get out of control. Wedges. Golf Ball Spin: Keep it Simple, Let's Not Go Down the ... A high-torque shaft will twist more than a low-torque shaft. Put another way, some shafts resist twisting better than

others. A shaft with a lower torque rating means the shaft better resists twisting; a shaft with a higher torque rating means the shaft is more prone to twisting (all other things being equal). What Is Torque in Golf Shafts? And Do You Need to Care? It's natural for some people to think that more dimples translates into better aerodynamics, but the reality is that any number over 450 runs the risk of producing too much drag on the golf ball. It's also important to understand that the manufacturing process for golf balls can be quite tedious, so manufacturers have trouble keeping tiny golf ball dimples consistent.
