Agriculture: Struever, Stuart: 9780385071857 ... Maize was domesticated from the wild grass teosinte in West Mexico by 6700 BC. The potato (8000 BC), tomato, pepper (4000 BC), squash (8000 BC) and several varieties of bean (8000 BC onwards) were domesticated in the New World. Agriculture was independently developed on the island of New Guinea. History of agriculture - Wikipedia And since agriculture is thought to have developed first in a region of the Near East known as the Fertile Crescent, around 10,000 to 11,000 years ago, the Fertile Crescent, it was believed, must hold the key to the origin of civilisation. Agriculture First Versus Göbekli Tepe: Prehistory ... Agriculture on the prehistoric

Great Plains describes the agriculture of the Indian peoples of the Great Plains of the United States and southern Canada in the Pre-Columbian era and before extensive contact with European explorers, which in most areas occurred by 1750. The principal crops grown by Indian farmers were maize, beans, and squash, including pumpkins. Sunflowers, goosefoot, tobacco, gourds, and plums, were also grown. Evidence of agriculture is found in all Central Plains complexes. A Agriculture on the prehistoric Great Plains - Wikipedia Early civilization can be considered a boom time in agricultural science and technology. Around 5500 BC (7, p26-28), the Sumerian civilization of the Middle East and other early pre Greco-

Roman civilizations understood the need for a specialized agricultural workforce for their societies to thrive. Agriculture: History & Introduction | EnvironmentalScience.org Agriculture in the prehistoric Southwest describes the agricultural practices of the Native Americans inhabiting the American Southwest, which includes the states of Arizona and New Mexico plus portions of surrounding states and neighboring Mexico. Maize was the dominant crop. Introduced from Mesoamerica, it was first cultivated in the Southwest about 2100 BCE. Sedentary cultures based on farming developed afterwards including the Hohokam, Mogollon, Ancestral Puebloans, and Patayan. Due to a def Agriculture in the prehistoric Southwest -
