Principles of Real Estate 1 Flashcards ... Property law,
principles, policies, and rules by which disputes over
property are to be resolved and by which property
transactions may be structured. What distinguishes
property law from other kinds of law is that property

law deals with the relationships between and among members of a society with respect to “ things.”The things may be tangible, such as land or a factory or a diamond ... Property law | Britannica An innovative examination of the law's treatment of property, this student textbook provides an extremely useful and readable account of general property law principles. It draws on a wide range of materials on property rights in general, and the English property law system in particular, looking at all kinds of property, not just land. Property Law by Alison Clarke 1. has the right of physical possession of the property; 2. has the right to all rents & profits, but this terminates when the life estate dies; 3. can usually lease the property, but not

beyond the time frame of the life estate; 4. is obligated to keep the property in good repair, although he or she is not required to make improvements; 5. may not damage or destroy any permanent part of the ...
