The World Is Flat A The World Is Flat: A Brief History of the Twenty-first Century is an international best-selling book by Thomas L. Friedman that analyzes globalization, primarily in the early 21st century. The title is a metaphor for viewing the world as a level playing field in terms of commerce, wherein all competitors, except for labor, have an equal opportunity. As the first edition cover illustration indicates, the title also alludes to the perceptual shift required for countries, companies, and individuals The World Is Flat - Wikipedia The World Is Flat is the timely and essential update on globalization, its successes and discontents, powerfully illuminated
